STAT

1. It is requested that funds be made available for [redacted] of the IHC Support Staff to visit the American Newspapers Publishers Association Research Institute Conference in New Orleans on 11-12 June 1973.

2. Purpose of the visit is to see first hand text editing types of equipment and to have technical discussions with exhibitors and other attendees on text editing techniques and/or hardware that may be used with the intelligence community text editing system that I am working on. Some of the vendors I have been discussing system concepts with will be in attendance at this conference.

3. A cash advance is requested.

4. Funds for this visit are available in the FY 73 allocation for the IHC/SS (Reference).
